THE TALE OF RAGÙ

It all started with Grandma

*Bring your Grandma,
and get a 10% off.*

*Ragù was inspired by a young woman in her 30s,
whose love for cooking started in her grandma's
cozy kitchen.*

*From rolling pasta dough to tasting simmering sauces,
she grew up learning that food isn't just about fla-
vors,
it's about sharing a piece of yourself.*

*One day,
seeing her granddaughter's dream to become a chef,
her grandma surprised her with a yearlong journey
around the world to explore, taste,
and gather inspiration.*

*Before she left,
her grandma handed her a cherished family recipe
book
with a heartfelt note:*

*'Wherever you go, take a piece of our kitchen with
you,
and remember that every dish made with care,
feels like home.'*

*Now, she's come back to where it all began,
bringing flavors from her travels to open a restaurant
honoring her grandma's favorite sauce, Ragù.*

*With care, we welcome you.
Ragù.*
